Invitation

Kamil Guzek
Director of Grand Prix Hradec Kralove

Dear karate friends,

now for the fourteenth time I would like to cordially invite you to Hradec Kralove for the next year of Grand Prix Hradec Kralove. This year tournament will be very special because of our decision to move the Grand Prix to more sporting ambience - to the new sports hall Trebes. So we left slightly deluxe ambience of Congress Centre Aldis but it will be changed by better sport facilities including new little sports hall which will be used as a warm-up area. Participants of Grand Prix will be the first who will use this little hall.

Due to your interest the Grand Prix has a huge respect and the city of Hradec Kralove has included this tournament in the most prestigious events of our city. I hope this year edition of Grand Prix will be pleasant event again for all its participants - competitors, coaches, referees and all supporters of karate.

I wish you a pleasure stay in city of Hradec Kralove, successful tournament and many nice experiences. Along with a huge organizing team I am looking forward to see you in Hradec Kralove again.

Invitation

Ing. Jiří Boček
President of Czech Karate Federation

Ladies and Gentlemen,

It is a great honour for me to invite you to the 14th year of the largest karate competition in the Czech Republic - Grand Prix Hradec Králové.

Competitors from many European countries will come to compare the strength in karate, sport that is proving day after day not only how deeply is rooted in our country, but also the added value offered to everyone, regardless of age, status or technical level.

I would like here to thank the organizers of this great competition for their professionalism in organizing such an outstanding event that reached the quality level of the top European competitions.

I am sure that this year's Grand Prix Hradec Kralove will be the top Czech karate presentation and we will take a beautiful sport experience.
