

5th Basel Open Masters 2014

International Karate Tournament – 6th & 7th September 2014

Dear friends of karate

It's my great pleasure to welcome all participants of the 5th Basel Karate Open Tournament here in Switzerland.

So far, Karate athletes have been rewarded with trophies and titles. But now it's time for new features in the world of Karate. We'd like to set a milestone with this tournament in terms of reward and honour. We hope that all participants recognize the idea behind it.

Karate is not just competition. Karate is much more an art and philosophy, for some people a way of life. We are right in this life, some of us fully and some partially. Nevertheless, we want to measure our skills with each other.

For this, we travel around the world. It's not just opponents, who we meet in tournaments but also friends. This is also something beautiful in Karate. It will be a mix of professionalism, friendship and karate together. Karate connects all people and generations, regardless of race, religion, social and political status.

I hope in this tournament, we will see our progress in terms of competition.

Let us find the best and also the best of the best "Basel-Open Karate Masters".

I'm looking forward to the exciting competitions.

Kind regards
