Dear karate friends and athletes!

I cordially greet and welcome you to the international sports competition: ZAGREB KARATE CUP 2014! Welcome to the Croatian capital, well known to the world as Zagreb - city of sport and sports friend!

This is not so surprising considering Zagreb has registered 850 clubs and 66 sports associations. We are not falling behind in karate sport either. On the contrary, karate is one of the biggest and most successful Croatian sport and the great credit goes to the City of Zagreb and 160 registered karate clubs in Croatia - of whom 38 belong to the Zagreb Karate Association.

In recent years many competitors from all continents competed in Zagreb such as State, European and World champions, Olympic winners. They all praised the "Zagreb sporting vibe" superior organization, kindness and hospitality.

I am quite confident that you will feel and experience friendly atmosphere and hospitality, passion of cheering and the beauty of sports competition. Because sport is by its nature and objectives noble and sublime, it expands the space of trust and makes new friends. I wish you a pleasant stay in Zagreb, fair-play and good luck in karate championship!

Milan Bandić, Mayor of the City of Zagreb
