Doping control

All participants must adhere to the current doping rules. Controls may be conducted.

Protectors

According to the DKV competition rules, Article 2, the following protectors are mandatory:

- fist protectors, red and blue
- mouth-guards
- breast-protectors
- shin guards, red and blue
- foot protectors, red and blue

Any other bandages are forbidden, as far as they have not been put on and confirmed by our medic on the day of the competition.

Others

Participants must bring their own tournament belts (red and blue).

Participants (both athletes, and their attendants, and also members of the audience) grant their consent to any publications of images and films taken during the competition as well as their personal data when applying to and participating in this tournament.
