Why you need to come at CROnvention?

After many years of experience in organizing karate camps, we decided to put the bar "higher". Karate Champs Cronvention is not just another usual training camp. Accompanied by many young international karatekas, our participants learn and enjoy at the same time at training sessions, as well as during 'free time'. Unforgettable moments and lot of surprise activities await our guests! We hope that you will recognize our camp like one of main events this summer.

Zašto trebate prisustovati Karate Champs Cronvention-u?

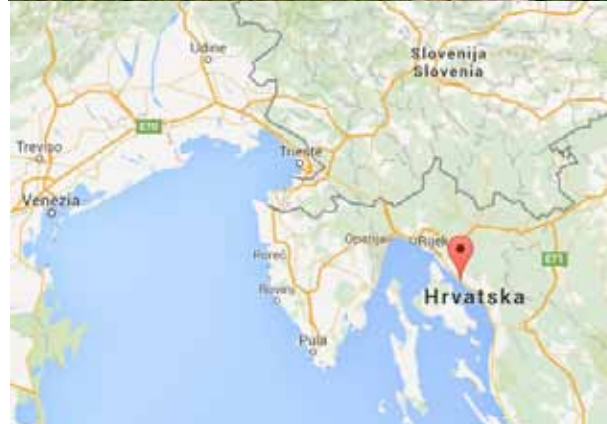

Nakon godina organizacije različitih seminara, ove godine smo odlučili podići organizaciju na viši "nivo". Karate Champs Cronvention neće biti još jedan običan seminar. Naš cilj je da se učesnici kampa osjećaju zadovoljnima kako na treninzima, tako i u slobodno vrijeme, u društvu internacionalnih karatista. Pripremili smo puno iznenađenja za naše ovogodišnje goste, te se nadamo da ćete prepoznati uloženi trud i odabrati naš seminar kao jedan od glavnih događaja ovog ljeta.

About Selce

Selce is located in a picturesque cove next to Crikvenica, on one of the most diverse parts of the Adriatic coast. This seaside resort, once a village of fishermen and stonemasons, today makes an interesting holiday destination with a tradition of tourism reaching back more than a century. Selce has won many awards for the excellence of its tourism offer and the overall appearance of the town. It has also won the title of best holiday resort on Kvarner four times.

Selce is a perfect place for pleasant summer holidays, with well-tended Blue Flag beaches, a wonderfully clean sea, a seaside promenade, and many cultural, entertainment and sporting events (folklore, concerts, painting exhibitions, fish festivals on the waterfront, sport-fishing for visitors, sailing regattas and much more). Selce can accommodate several thousand visitors in private homes and hotels, holiday villas and two campsites set amidst the area's beautiful natural scenery and crystal clear sea.

O Selcu

Selce se nalazi u živopisnoj uvali u neposrednoj blizini Crikvenice, na jednom od najraznolikijih i najslikovitijih dijelova Jadranske obale. Ovaj primorski gradić sa stoljetnom turističkom tradicijom je nekoć bio naselje ribara i zidara, a danas je zanimljiva turistička destinacija, koja očarava svojim prirodnim ljepotama, čistim zrakom i morem. Ugodno i zabavno ljetovanje u Selcu omogućavaju uređene plaže koje već nekoliko godina nose Plavu zastavu, najbolje jamstvo čistoće mora, zatim šetalište uz more, raznovrsne kulturno-zabavne i sportske priredbe. Selce može ugostiti nekoliko tisuća turista u privatnom i hotelskom smještaju, odmaralištima i dva autokampa.
