# 8th European Shotokan Championships & WSF World Cup BATUMI GEORGIA 11-12-13 November 2016

Dear Shotokan friends,

As we already know, the Shotokan Style is widespread, is the largest Style of Karate-Do as Martial Art.

Few years ago, 2009, we have started to form a new organization which has to respect the fundamental "Traditional Concept and Spirit" of Karate-Do Shotokan, as Martial Art, but in the same time to respect the people desire and interest for sport aspects of Karate competition, as a modern trend of nowadays social life in Karate-Do.

In our view this means friendship and life exchange experiences from different cultures, different areas and religious as Additional and Basic Contributions to Karate-Do Shotokan Styles Values at WSF construction, in the world.

This is the "WSF's Philosophy and Concept" - World Shotokan Federation, ex WSKU, has to represent the chance for every practitioner to find his "way" of Karate-Do, the chance for the affirmation of everybody, athletes, coaches, instructors, referees, as the international recognition activity and ranking qualifications.

The main WSF's Goal means: the respect of this Karate-Do philosophy, honest and open cooperation for the improving the WSF's Strategy and Management, for a high technical level, involving the people who have performed and have a big expertise and experience, experts of Shotokan Karate-Do. We need a hard work for all of these, responsibility and expertise too.

So, we are waiting all people interested to join us and together to achieve our Shotokan International Goals.

I really hope and believe that WSF will become, in the next years, one of the strongest Shotokan Style Federation in the World of Karate-Do.

These WSF's Events, the 8<sup>th</sup> European Shotokan Championships & WSF World Cup 2016, it will be a big occasion and opportunity for all of you to compete and to spend wonderful moments of your life in the unique and fascinating atmosphere City of Batumi.

Please, don't forget:

Winner or not, be sure you have a big "victory" for yourself... nice atmosphere, you have got a "life medal".

Sincerely yours
