**BKF President**

Dear Friends,

May I take this opportunity to welcome you to the British International Open Championships and to the host city of Edinburgh.

On 3rd August 2016 at the Olympic congress in Rio the IOC accepted the WKF application for karate to be included in the Tokyo Olympic Games in 2020. This was the most important announcement ever in the history of karate and thanks must go to everyone concerned in gaining this recognition. Special thanks must go to the WKF President, Antonio Espinos, for his tireless efforts over the years resulting in the WKF achieving this status. Indeed Mr Espinos wrote to the BKF thanking them for their support and intense lobbying campaign and concluded that British efforts in securing Olympic recognition for the WKF should not be underestimated.

I travelled to the Rio Olympics to represent British Karate at the suggestion of the British Olympic Association, this gesture was a significant endorsement of the regard in which the BKF is held as we begin talks on qualification for Tokyo 2020.

Following on from these talks we were invited to make an application for Tokyo 2020 Interim Investment by UK Sport, the outcome of which will be announced in late 2017. As a new Olympic sport we may find difficulty in securing funding, however we have established a strong line of communication with UK Sport and although an amateur organisation it has been acknowledged we have acted professionally.

The news that Karate will now be included in the 2018 Youth Olympic Games in Bounes Aries is fantastic news and another milestone for the WKF and the world of Karate.

Finally I would like to offer congratulations to Jordan Thomas of England who became the WKF Kumite World champion in Linz in October 2016. A magnificent performance from Jordan and indeed the English Karate Federation and coaching staff, led by Willie Thomas. This result has given all our competitors the belief that they can achieve and that competing at Tokyo 2020 is no longer a dream but a reality.

## IMPORTANT NOTES

### Photography and Recording

The BKF plan to engage a photographer who will take action/podium shots of the competitors. Photographs will be taken at the event for promotional purposes, however should anyone have a concern please contact the event organiser prior to the event.

### IMPORTANT NOTES FOR COACHES:

**Only NGB accredited coaches are permitted in the tatami area.**

Following a BKF Refereeing Commission meeting it was decided that anyone wishing to coach at the tatami during a BKF event would have to have NGB accreditation to prove they were aware of the required rules, responsibilities and expected conduct. **Without this accreditation a coach pass will not be issued by the event organiser.** All coaches must register via Sportdata.

### Coach: Dress code:

Coaches must be in association tracksuits and clearly display their coaching ID badge. Inappropriate dress, as deemed by the chief referee, will be refused access to the competition area. Only coaches adhering to the correct dress code and in possession of a coaching pass will be allowed on the competition area.

### Coach: Medical

We record every injury that gives us the slightest concern, however symptoms often occur after the incident and we would ask that the coach or representative informs the medical team of any concerns he or she has at that time of the incident, or anytime after, no matter how trivial it may seem.

### We fully intend to have Repechage for CADETS, JUNIORS and SENIORS Individual Kumite and Kata.

However the chief referee has the authority to withdraw repechage if the time frame becomes critical. *Competitors can only compete in their own categories and cannot move up to compete in another category. In the unlikely event of low category entries the organisers reserve the right to amalgamate categories.*

**Insurance:** It is the responsibility of each individual, or parent / guardian of a competitor if under 18 years of age, to have their own insurance cover for the event. Please advise your competitors accordingly regarding insurance cover. It is the responsibility of the clubs/coaches to ensure that all competitors are aware of this and have been advised of adequate cover. Association/club parental consent to compete is also required. This is the responsibility of the association.

Health and Safety issues have been discussed and we try to plan for every eventuality. However this is a busy tournament and due care and attention is required in all areas. Would all coaches/parents ensure their children are properly chaperoned. Karate matches are performed in bare feet, please ensure proper footwear is used in the arena and surrounding areas, especially approaching the mats.

**Disclaimer: Karate is a martial art and contact sport. People can and do get injured and we cannot accept responsibility for any such injury, loss or accident arising from your participation in our training, competitions or associated activities and ask that you are aware, agree and accept this by entering or giving permission to enter this event. We should also be notified, in writing, of any medical condition that may have relevance to their participation in karate.**

If you require any further information or assistance then please contact [robert.w.morton@btinternet.com](mailto:robert.w.morton@btinternet.com)
