

On the occasion of the 11th Reykjavik International Games and 6th Karate Championships, I take the opportunity to send my warm greetings to all karateka friends.

This year we are a part of over 20 sports taking part in the Games over two weekends. This is a venue for our karateka to meet foreign competitors on our home ground.

Iceland is a very well known touristic island, especially to European people. The Championships will take place in Reykjavik, a city by the sea. I am sure that everybody will enjoy this event and I would like to wish all participants health, strength and many victories.

We look forward to seeing you in Reykjavik!

Sincerely yours,

Reinhard Reinhardsson

President

Iceland Karate Federation
